Join us in Welcoming

JOSH WOOLEY

Josh Wooley, MCCU President

As the New President of MCCU!

At MCCU, we value the ideas and talents of everyone, and when new people join our team, we especially look forward to the new energy they'll bring to the table. And while we were sad to see Glenna Jarvis go after 33 years of service at MCCU and 18 as President (yet glad for her to enjoy her retirement years!), we're excited to have Josh Wooley join our team at Missouri Central Credit Union.

Josh brings a wealth of knowledge and experience to MCCU. Just before joining our team, Josh spent the last 9 years serving in the role of VP of Retail Delivery at Mazuma Credit Union. He was recruited to join Mazuma after having great success as a Branch Leader II at Fort Campbell Federal Credit Union in Clarksville, TN. He earned a Bachelor's degree in Organizational Leadership and a Master's degree in Theology.

In his personal time, Josh enjoys being a local working musician; his classic rock band will be playing at Konrad's in Downtown Lee's Summit in December. He uses his musical talent to serve multiple church campuses on their music and worship teams.

Welcome Josh, we are excited to have you join our team!

Pay Safely Using Mobile Wallet – It's Easy!

Using a digital wallet has become one of the safest and most convenient ways to pay anywhere you shop. Anytime you purchase something with your debit card, every transaction is validated by a unique number that is dedicated to each card and device. That purchase is authorized by using that unique encrypted number versus using your PIN and card number so your personal information is never transferred or stored with any merchant, significantly reducing the risk of compromise.

Setting up your mobile wallet is simple! Start by choosing your preferred digital wallet – Apple Pay®, Google Pay™, or Samsung Pay®. You might need to download the app that's connected to your preferred digital wallet. Then simply follow the "Add a Card" process in your device and follow the instructions provided to validate your information.

Make shopping a breeze by adding Mobile Wallet to your device and breathe easy knowing your personal account information is safe.

Take Advantage of Skip-A-Pay for the Holidays

It's that time of year again! When the holidays come around, everyone could use a little extra for holiday shopping. Or use it to pay taxes, for a last minute gift, or even something just to pamper yourself like a little getaway. Eligible members are able to skip the November, December, or January payment* on most loans for a fee based on the loan's payment. Participating is easy and quick! Contact one of our friendly Member Service Representatives for more details on how to take advantage of this fantastic program.

*Interest will continue to accrue on your loan during the month you skip your payment. If you wish to skip multiple loans, it must be done in the same month. Participation in this program will lengthen the term of your loan.
