Missouri Central Credit Union member/owners received nearly $63,000 in Member Bonus Dividends after a profitable 2016! Maximize your Member Bonus Dividend next year by using Missouri Central Credit Union loans, checking, and savings accounts!

Bonus dividend payouts are just one more way Missouri Central Credit Union is different from a Bank!

The 2016 Member Bonus Dividend was based on having one or more of the following services: an active checking account, interest paid on loans and VISA credit cards in 2016, and interest income earned on various savings accounts in 2016.

Dividends are reported to the IRS. Applicable taxes are the responsibility of the account owner. Missouri Central Credit Union is an Equal Housing Lender. All deposits are insured to at least $250,000. Member Bonus Dividends are not guaranteed for 2017. Member Bonus Dividends for 2017 may be approved by the Board of Directors based on actual credit union financial performance.
